In the space below, please write a brief explanation of measurable educational objectives you hope to achieve during your study abroad period:

Please provide a preliminary list of the courses you plan to take abroad, including the number of credits each course is worth at the foreign law school and the language of instruction. If the language of instruction is other than English, you will need to attach an explanation for the basis of your proficiency on a separate page. Once these courses are approved, any subsequent changes to your course selection abroad must be approved by the Graduate and International Programs Office. Important notes:

- You may not duplicate any course that you have already taken at Cardozo.
- You may not transfer more than 4 credits of law-related graduate coursework from outside of a Faculty of Law.
- You must register for the number of credits at the host university that correspond to the equivalent of 12 ABA credits at Cardozo. This credit minimum will be communicated to you by the Graduate and International Programs Office based on the program you attend.
