SUMMER REGISTRATION TIMELINE

Listed below are the relevant days/times for the Summer 2022 add/drop period. During this time, students may log into Self-Service Banner to add or drop classes according to the dates below.

Monday, April 25 –
Monday, June 13

On-line Add/Drop Period. Students can add/drop classes online from 9:30AM on Monday, April 25th through 9:30AM on Monday, June 13th. Spaces in open courses will be available on a first-come, first-serve basis for all students. Closed courses will have automated waitlists.

Sunday, June 12 -

Last day to drop courses online. Students can drop classes online until 11:59PM on June 12th. After the 12th, students should contact cardozoregistrar@yu.edu for instructions about dropping courses. Once a Summer course starts, students will receive a “W” for dropping the course and will not receive a refund if they drop it.

Monday, June 13

Last day to add classes online. After the 13th, please contact cardozoregistrar@yu.edu for instructions about adding courses. Students will not be allowed to add courses that have already begun.

“PERMISSION ONLY” COURSES

Certain classes (e.g., credited externships, TA positions, independent research, clinics and field clinics) are open to students only by permission of the instructor or via an application process. The course list indicates which classes are “permission only.”

The Registrar’s Office will manually register students selected for the August ADR Competition Honor Society Moot Camp.

Students seeking to undertake a **credited externship** should review the application materials posted on the Luminis portal: <https://insidetrack.yu.edu>. Students who have been accepted to a permission required course should leave room in their schedules to be registered for those courses. The Office of the Registrar will manually register students for the externship course and corresponding seminar.

Students who are appointed as **Teaching Assistants (TAs)** earn one pass/fail credit per semester. Students acting as **TAs** can request that the faculty member they are assisting contact the Office of the Registrar via email (cardozoregistrar@yu.edu) to have the student registered. Please review the handbook for policies regarding teaching assistant positions as there is a limit to the number of TA positions a student is allowed to take for credit.

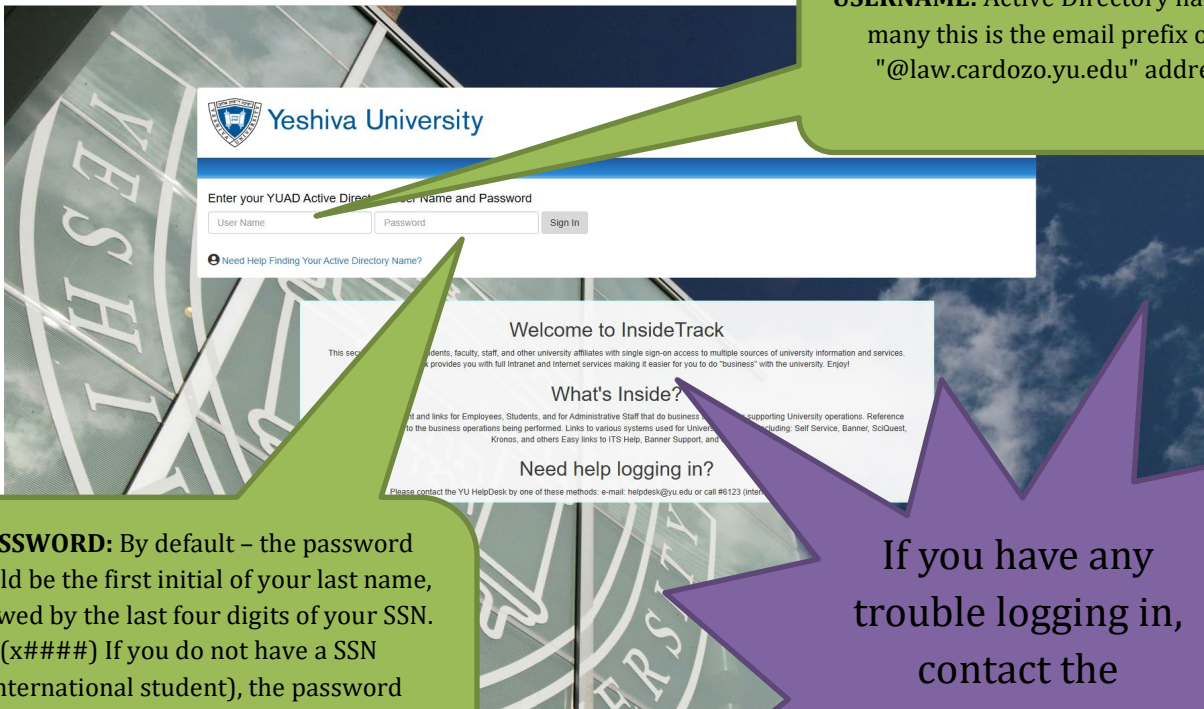

Students seeking to undertake an **independent research** project should review the relevant rules set out in the Student Handbook: <https://cardozo.yu.edu/students/student-handbook-policies-and-forms>. Once a faculty member has agreed to supervise a project, the student must obtain the professor’s signature on a completed “Request to Pursue Independent Research” form, available electronically here: <https://cardozo.yu.edu/students/student-handbook-policies-and-forms>. The student should then submit the form to the Vice Dean. Once the Dean’s Office has approved the form, they will forward it to the Office of the Registrar and the student will be automatically registered for the independent research credit(s).

For all other “permission only” courses, interested students must contact the faculty member directly. The faculty member will inform the Office of the Registrar of who has been accepted into the course, and those students will be automatically enrolled..

COVID-19 STUDENT ACKNOWLEDGEMENT

Before returning to campus

The novel coronavirus, COVID-19, is a highly infectious, life-threatening disease declared by the World Health Organization to be a global pandemic. COVID-19's highly contagious nature means that contact with others, or contact with surfaces that have been exposed to the virus, can lead to infection. Additionally, individuals who may have been infected with COVID-19 may be asymptomatic for a period of time, or may never become symptomatic at all. Because of its highly contagious and sometimes "hidden" nature, it is currently very difficult to control the spread of COVID-19 or to determine whether, where, or how a specific individual may have been exposed to the disease.

Aware of the foregoing, I am voluntarily returning to Yeshiva University's campus and, if applicable, housing.

I understand that the University has put in place new safety rules and precautions in order to mitigate the spread of COVID-19, which rules and precautions may be updated at any time. While acknowledging that these rules and precautions may or may not be effective in mitigating the spread of COVID-19, I agree to comply with such rules and precautions which may include, but are not limited to, face mask/covering wearing, hand washing, hand sanitizing, and social distancing. I understand that failing to comply with these rules and precautions is a violation of the University's standards of conduct and that failing to comply could subject me to sanctions up to and including expulsion from University and/or University housing. I also understand that campus services may be limited or not available at all, and some services may only be available on-line.

I agree that if I am exhibiting any symptoms of COVID-19 or acute respiratory illness, I will remain isolated and self-quarantine until I have been symptom-free for 24 hours without the use of medication. I also will notify the coordinator of student Covid related illness at covidstudentline@yu.edu. I understand that the University may notify my parents (or other emergency contact I may have provided) if I exhibit symptoms of COVID-19 or otherwise fall ill. I also understand that the University may notify my roommates (if applicable) and other persons I may have come in contact with, if I test positive for COVID-19 or otherwise exhibit symptoms. If I chose to opt-out of contacting parents or emergency contacts or such other persons, I will email covidstudentline@yu.edu. I further understand that if I am in University housing, I may be removed from my room and asked to quarantine and/or isolate elsewhere.

I acknowledge the contagious nature of COVID-19, the fact that it can be difficult to identify in another, and the inherent risks of exposure at the University to those who may be infected with COVID-19. No party related to University (including any faculty, staff, agent, volunteer, or student) has made any representations to me regarding the safety of, or the risks of, returning to campus/housing. I voluntarily assume and accept the risk that I may be exposed to or infected by COVID-19 by returning to the University's campus/housing and that such exposure or infection may result in personal injury, illness, permanent disability, and/or even, in rare cases, death. I understand that the University will not be responsible for any medical or other expenses associated with any injury or loss I (or others) may sustain.

ADD OR DROP CLASSES

Prior to accessing the add or drop classes section, you need to have the CRN's for the courses you wish to register for. The CRN's can be found on the course list posted on the Registrar website or in the "look up classes" section of Self-Service Banner (additional instructions in the "look up classes" section).

From this screen, you may perform multiple tasks:

- Drop a course you are currently registered for,
- Add yourself to the waitlist of a closed course
- Register for classes by adding the CRN to the "add classes worksheet" at the bottom
- You must click "submit changes" for any of the above changes to be accepted.

It is recommended that you add any classes you want prior to dropping a course. If, however, there will be a time conflict with a course you're currently registered for and a course you wish to add, you may need to drop the course first. You may also add and drop at the same time.

WAITLIST NOTIFICATIONS

Cardozo utilizes an automated wait list system. Using the instructions on the previous page, students will be able to add their names to the online wait lists of any closed courses they would like to have a chance to take.

When a seat in the closed course becomes available, Banner will automatically send a notification email to let you know that you have 30 hours to sign onto Banner and add the class. It is important that you check your Cardozo email on a regular basis so that you will be able to see if you've received this notification. The email will be as follows:

Congratulations,

You are now able to register for

29304 LAW 7424 A Contract Drafting

Your spot is being held for 30 hours (subject to the last day to add a class) after which time your spot will no longer be available to you and you will have to re-register for the wait list. So please log on to MYYU soon.

You must take action before:

10-AUG-2018 04:01 AM EASTERN TIME

As always we are here to assist you with anything you may need, or any questions you may have.

Sincerely,
Office of the Registrar

Note that this email is the **ONLY** notification that you will receive from the Registrar regarding the availability of a seat in a class with a waitlist. It is important that you pay special attention to the deadline listed in the email.

Cardozo students who utilize the waitlist will be offered seats in the order that they added themselves to the list, within their priority category. 3L and LLM students have registration priority over 2L students. So, for example, if a 2L student added his/her name to the waitlist for a course, and then two 3L students later added their name to the waitlist for the same course, the 2L student would be third in line to receive a space in the course should one open up. However, if a second 2L then added his/her name to the list, the first 2L would still be third in line to receive a space in the course because s/he was the first to do so within his/her priority category.

Here are some other things to keep in mind when utilizing the wait lists:

- 1) It is VITAL to make sure that you do not have registration holds on your records. Registration holds will prevent you from registering for classes as well as placing yourself on the waitlist.
- 2) You will receive ONLY one email notification of an available seat in a class. You MUST be sure to check your email on a regular basis, or you will miss the chance to get a seat from the waitlist. If you miss your chance, you can place yourself on the waitlist again, but your priority will be lower... you'll be last in line within your priority category.
- 3) Receiving the email notification does not mean that you are registered for the course. You will need to log into Self-Service Banner, navigate to the "add or drop classes" page and register for the course by selecting that option in the "action" column and submitting your changes. This must be done within the timeline stated in the email notification. If you do nothing, you will lose your spot.
- 4) MIND THE TIME! You will have 30 hours to respond to a waitlist notification. If you accidentally drop the course during this time, you will lose your seat and it will go to the next person on the waitlist.
- 5) Cardozo can't be responsible for undelivered or unread notification emails. Emails will be sent from registrar_waitlist@yu.edu. It is highly recommended that you add this address to your "Trusted Senders" or "Safe Senders" list if your email service allows this. It will help to prevent notifications going to the "Spam" folder.
- 6) BE KIND TO OTHERS! If you are no longer interested in a course that you have waitlisted for, please drop the course. This will help ensure that another student in line has a better chance of being placed.

ADD/DROP FAQ's

How many credits can I register for during add/drop?

There is no limit to the number of classes students can take over the Summer; however, the number of credits a student takes during the Summer will not lower the minimum number of credits they need to take during the Fall and Spring semesters.

How do I know if a class is open or closed?

You can check the class enrollment in Banner by clicking on “Student and Financial Aid”, “Registration”, “Look Up Classes” and then selecting the term. The best way to search for all of Cardozo’s course offerings is by subject (LAW) or by selecting “Cardozo Full Session” from the campus/college/part of term menu, but you can also search by day/time, course number, or instructor. The “Act” column tells you how many students are in the class, and the “Rem” column tells you how many seats are open.

Can I ask a Professor for permission to be added to their closed course?

No. The only way to gain admission to a closed class is to add your name to the online wait list for the course. *Professors cannot give permission to enroll students in classes that are closed.*

I have been offered a seat in a class off the wait list, but I no longer want to take it. Do I have to add the class?

No. Adding your name to a wait list does not obligate you to add the class should you be offered a seat; however, if you no longer wish to be on a waitlist, you should log back on to Self-Service Banner and drop the course.

If I've received a notification that a seat is available in a class I was on the waitlist for, does that mean I'm automatically registered for it?

No. You will have to log into Self-Service Banner and follow the instructions on page 10 to register for the course.

I am receiving a “not permitted to register at this time” error.

Make sure you've selected the correct term (DO NOT select a “Zman” term) and you have enough earned credits to be considered at least a 2L student (30 earned credits or more). Any in progress courses on your transcript will not factor into the earned credit total.

I am having trouble accessing Banner. What should I do?

Please contact the Office of the Registrar via email at cardozoregistrar@yu.edu. When emailing the Registrar’s Office regarding a Banner issue, please provide screen shots of the error you are receiving and your student ID number.

What should I do if I have a hold on my account?

If you have a hold on your account, you will not be able to add or drop classes. To clear a financial hold, please contact clfinaid@yu.edu.

If You Require Assistance...

If you require assistance with course planning, you should contact the Office of Student Services and Advising by emailing cardozostudentservices@yu.edu.

If you encounter any problems with registering via the **Banner website**, you should contact the Office of the Registrar by emailing cardozoregistrar@yu.edu.

If you have issues logging into Inside Track, please contact the ITS Help Desk at helpdesk@yu.edu.

If your question concerns a **financial hold**, you should contact the Office of Student Finance by emailing clfinaid@yu.edu.

These offices are open between 9:00 a.m. and 5:30 p.m. Monday - Thursday and 9:00 a.m. - 2:30 p.m. on Fridays.
