PREPARATION
Student Bar Association (SBA) organizations, and any other student organizations approved by the Office of the Dean, may use Cardozo space for meetings and events. Individual students are not permitted to independently host events on campus or reserve a room. All events must be sponsored by an office or center, approved student group, Journal, Moot Court Honor Society, ADR Competition Honor Society, or a faculty member. The law school reserves the right to deny requests if a suitable space is unavailable, or if the event is inappropriate and/or disruptive to the daily activities of the school.

- **Guests and Speakers:** Once you have received and email confirmation for your event booking from the Office of Special Events, you can confirm a date and time with an outside guest or speaker. Due to the high volume of events at Cardozo we ask that you do not confirm or promise event dates, times, or rooms, to outside guests as they may not be available by the time your request is confirmed in the que.

- Determine the purpose, focus, scope of the event, budget, target audience, and relevant requirements prior to requesting a date. The following requirements should be considered as you begin to plan your event: AV, catering, CLE credits, communication needs, floorplans, and supplies.

- Questions concerning **contracts with outside vendors** and honorariums should be directed to Jacklyn Tavarez in the Office of Business Affairs (tavarez@yu.edu).

BOOKING A ROOM
The availability calendar on 25Live will inform you of all the events taking place in the school on any given day. Please check the calendar for the proposed date of your event. This calendar can be accessed by logging into 25Live and clicking on the “Availability” tab on the right hand-side of the page.

- Rooms are booked on a first come first serve basis regardless of the event purpose or the number of guests attending. A time stamped que is established when you submit your request and events are confirmed in the order in which they are received. Please allow for up to three business days for your event to be confirmed.

- **DEADLINES:** We ask that you make a room request at least one week from the desired event date. The office of Special Events cannot guarantee same day confirmations. For the 3rd Floor Lounge and Lobby spaces we request at least three weeks notice for large scale events with catering.

- In order to place a 25Live Request, or to have access to the calendar, a representative from your group must sign the first page of this document and
fill out the 25 Live Access Form. [CLICK TO GO TO FORM]

- After you have filled out the form, please log into 25 Live so that your credentials can be assigned permissions. The log in info is the same that you would use for Inside Track. Log in here: [Dashboard (collegenet.com)]
- Placing a request via 25 Live does not mean your event is confirmed. Do not publicize events or confirm arrangements with speakers or guests until you have received a confirmation email of your booking directly from the Office of Special Events. Even if the online calendar shows that a certain space is currently available on a particular date, it does not guarantee that your booking can be accommodated.
- Do not make multiple request for the same event. If you made an error in a submitted request please email the reservation code (ABA###) and the edit you wish to make to sofia.dalessandro@yu.edu
- For any large-scale events, please arrange a meeting with the Office of Special Events at least six weeks prior to the event
- Please note that not all rooms are suitable for certain events. We cannot, for example, host an event with a full buffet in a classroom immediately after, or in-between, regularly scheduled classes.

BOOKING CONFIRMATIONS: Once your room reservation is confirmed, you will receive a confirmation email with your event details, up to 3 business days after it has been submitted. All communication regarding your event must be on the confirmation email chain. The Office of Special Events cannot assist requests without a reservation code (ABA###) listed in the subject line.

ROOM HOLDS: It is possible to place a hold on a space so that you can offer your speakers a range of dates. Please make one 25Live request, do not submit multiple requests for the same event. This will result in your requests being denied. You may place up to (3) three holds for one event. When completing the online form, the title of your event should start with the word “HOLD.” Once the speakers have confirmed the date, please contact the Office of Special Events immediately to release the other dates and confirm the event.

**ALCOHOL POLICY**

Please review the [Yeshiva University Alcohol Policy] and print and sign the forms in the document. The form must be emailed to cardozospecialevents@yu.edu no later than seven (7) calendar days before the event. TODAY AT CARDOZO

• To advertise events, we condense all student organization emails into ONE email per day which will be sent to the entire student body each morning at 10 AM. Please note that there will be two sections in the daily email. One section will be titled “Today at Cardozo” and will only contain announcements about meetings, deadlines, or events taking place that day on-campus. The other section is titled “Upcoming Events” which contains events taking place later that week or the next. Each event announcement is limited to one placement per section. You MUST submit your text at least two business days (by 10 AM) before the date in which you would like your event to be published. No exceptions will be made to this rule.

• The only way to submit your announcement is through the Today at Cardozo Submission Form which can be found on our Office of Special Events Page. DO NOT email the office of special events to submit your announcement. The events team will not be able to add it.

• Do not include graphics, flyers, mentions of alcohol or inappropriate language.

FLOORPLANS AND SET UPS
