

# CONNECTING TO CARDOZO

## Accounts and Usernames

Microsoft 365 profile:

Cardozo Email Address: [bcardozo1@law.cardozo.yu.edu](mailto:bcardozo1@law.cardozo.yu.edu)

Password: [set by student, example UnionSquare55!]

Active Directory username (YUAD): **bcardozo1**

## WiFi

Wifi Name: YUWIRELESS

Use Microsoft 365 profile to log in

## GMAIL :

Password can be changed, but won't affect other website logins

\*\*Set password to match Microsoft 365 password\*\*

All other sites use the Microsoft 365 profile to log in, require authentication using a designated phone number via text or call. Use <https://aka.ms/mfasetup> to designate the authentication number.

## InsideTrack – requires authentication

Used to access internal systems for registration, financial aid, or links to other internal sites, including Canvas

## CANVAS – requires authentication

Used for course materials and assignments

## PHAROS – no authentication required

Used for printing materials on-campus.

- Send items to [print-blackandwhite@yu.edu](mailto:print-blackandwhite@yu.edu), use the PHAROS mobile app, or
- Go to <https://print.yu.edu> and our YUAD Username and Office 65 password. Use FindID.yu.edu for this username. Swipe your Student ID to release jobs from on-campus printers.

## **LAPTOPS REQUIRED**

[Exemplify: Minimum System Requirements](#)

**CLICK HERE TO ACCESS THE FULL LIST OF LAPTOP REQUIREMENTS**

### **Windows 11 Laptop Recommendations:**

Any Intel-based Laptop built recently should be sufficient with the specs below

CPU: i5 or above preferred. The number indicate performance class. If you are checking an existing machine, it should minimally have an 8th gen CPU. Machines with ARM CPU not supported for Exams.

RAM: 8 Gigabytes (GB) minimum, or 16GB or more preferred More RAM means more apps can be opened simultaneously, without a performance hit.

Storage: an SSD (solid-state drive) with 250 GB minimum, or 500 GB or more, preferred. Avoid machines without an SSD. Consider the addition storage if this will be your ONLY machine.

### **Mac Laptop Recommendations: Sonoma or Sequoia**

M1 or M2 series of Apple-designed CPUs  
Follow the same RAM and SSD specs as above.

Contact [csl-itsupport@yu.edu](mailto:csl-itsupport@yu.edu) should you have questions.

**YU HelpDesk services are available 24 hours per day, 7 days per week.**
