NJ Transit Discounts – Student Pass Program

Full-time college students can save 25 percent on NJ Transit monthly passes (available for bus, rail, or light rail). Students must be enrolled in school full time and must certify on the application form that the ticket will be used solely for the purpose of traveling to and from school and the student is not gainfully employed.

You can enroll online by logging onto your Banner account. In the main menu, click on the Student and Financial Aid tab and then click on the Obtain Monthly NJ Transit Student Pass link. If you do not already have a Quik-Tik Student Account, click on the Enroll in Quik-Tik link (more information on Quik-Tik is below).

You can also obtain an NJ Transit Official Application for Student Ticket in person from a NJ Transit Customer Service Office (e.g. at Hoboken, Newark, NY-Penn Station, Secaucus) or ticket agent. Student should complete the top half of the form and then bring it to the Cardozo Registrar for completion of the lower half, signature, and seal of the Law School. When submitting the completed form back to NJ Transit, be sure to bring your valid student ID card. A new application must be completed each semester.

Students must sign up by the 10th of the month in order to receive the next month’s monthly pass. (For example, for your September monthly pass you must sign up on or before August 10.) Once enrolled in the Quick-Tik program, you will automatically receive your monthly pass in the mail unless you choose to suspend your account or at the end of May when NJ Transit suspends every Student Pass account. Each month, your credit card is automatically billed.

The student monthly pass is only for the personal use of the student who purchased it. Student passes are not honored to or from any other rail station except those printed on the pass, but they may be used on certain buses and light rail vehicles as permitted under NJ Transit cross-honoring policies. NJ Transit reserves the right to review applications for student passes to ensure compliance with NJ Transit policies. Students must present their student identification card upon request by train crew personnel or other NJ Transit representatives.
